CRAB ORCHARD.

A daughter of John Bowen died of typhoid fever. Much sympathy is felt for him.

Peyton King moves this week to his farm on the Somerset road and W. K. Buchanan takes possession of the farm vacated by him.

A movement is on foot to ship all the Crab Orchard loafers to Corbin. It only needs a second and a volunteer to lead the crowd. Who first? Corbin will certainly boom.

Charles Redd has built an additional room and extended his veranda in front of his home. He has also built a commodious barn and has one of the best improved farms in this section. He is a hustler, any way.

Misses Allie Yantis, Bettie Walker Burnside, of Lancaster, and Mary Adkins, of Stanford, were visiting Miss Mabel McWhorter. Mrs. Lide Maulden and children, of Selma, Ala., are with Mrs. Walter Gover, J. L. Andrews, of Cincinnati, has joined his wife at the King Hotel. Henry Campbell has returned from Chattanooga. Mesdames M. E. Prewitt, of Madison, and Bettie Howard, of Adams, Ind., visited Mrs. Logan this week. George Elam and family, of Garrard, were with his father here Sunday. Miss Bettie Higgins has gone to Somerset to visit her brother, Sam. Mrs. Allie Kennedy will leave Sunday to visit relatives at Indianapolis.

Misses Fannie and Katherine Redd attended the London fair. Mrs. Tanner of Harriman, Tenn., is visiting her mother, Mrs. Payne. A gay party of our younger society set enjoyed a hay ride to Dripping Springs this week. Mrs. Poor, formerly Mrs. Judge Owsley, and Miss Laura Poor, of Lancaster, visited Mrs. Frank Scott Saturday and Sunday. The many friends of Andrew Lasley regret to know that he has typhoid fever and hope for his speedy recovery. Quite a number of cases in this vicinity and our doctors are kept busy. Zack Carson, of Louisville is with his sister, Mrs. Brooks. Mrs. Gormley attended the burial of her brother, Ambrose Buford, at Lancaster Monday. Mesdames Tatem and Tanner leave Saturday to visit the latter's father-in-law at Erlanger, Ohio. Mrs. Holdam Stuart and baby are with friends at Jellico. Miss Susie Dillon visited friends in London and attended the fair. Mrs. Kittie King and Miss Georgia have returned from a visit to relatives at Parksville. The latter is preparing to enter school at Lexington.

HUBBLE.

Eld. F. M. Tinder will fill his appointment at the Christian church Sunday afternoon.

Miss Bettie Roberts, of Lexington, is the guest of Miss Ethel Carman. Quite a number of our people are attending the Somerset fair this week. Dr. Johns, wife and daughter, of Lexington, are guests of Mrs. C. P. Underwood.

Lee and Dave Rankin have gone to Wayne county to buy mules. Misses Nettie Waller, of Louisville, and Fannie Eubanks, of Lexington, are guests of Miss Polly Eubanks. Miss Levisa Harris entertained very delightfully Wednesday evening in honor of her visitors, the Misses Engleman, of Stanford. A large number of guests were present and Miss Harris proved quite a charming hostess. Mrs. Phil Meighen, of Louisville, is visiting her father, James Bratton. Mrs. E. B. Miller and son, Frank, are visiting friends in Mt. Vernon. Grover McKechnie and Harry McBeath have gone to Monticello to attend the fair.

Attacked by a Mob

and beaten, in a labor riot, until covered with sores, a Chicago street car conductor applied Bucklen's Arnica Salve, and was soon sound and well. "I use it in my family," writes G. J. Welch, of Tekonsha, Mich., "and find it perfect." 25c at G. L. Penny's drug store, Stanford, and Lyne Bros., Crab Orchard.

"You have served your country nobly," said the Mikado. "Anything you may ask will be granted."

"I have but three requests," answered the Japanese naval hero; "don't erect a triumphal arch, don't present me with a house and don't let the girls kiss me."—Washington Star.

Cause of Insomnia.

Indigestion nearly always disturbs the sleep more or less and is often the cause of insomnia. Many cases have been permanently cured by Chamberlain's Stomach and Liver Tablets. For sale by all druggists.

"I don't see how they find so much to talk about," said a woman, speaking enviously of the friendship of two other women. "Neither one has ever had a surgical operation."

Total industrial dividends payable in September, will, it is said, exceed \$14,200,000.

PREACHERSVILLE.

The storm party at A. J. Thompson's was attended by a large crowd.

Some hogs changed hands here Saturday at 6c, being the best price paid here for some time.

W. P. White is building a large stock barn. D. M. Anderson has the largest pool in this section, which he has just completed.

Mary Bell, the infant daughter of George Bell, died after an illness of only a few days and was laid to rest in the Preachersville cemetery Friday at 1 o'clock. J. G. Hutchins spoke a few kind words at the grave.

Many friends of Mr. George Evans drove over to Lancaster Friday to attend the burial of this kind old man. Mr. Evans died at Danville, but had lived near here for a number of years. He had been in failing health for some time.

Mrs. Silas Anderson is on the sick list this week. Mr. Henry Blankenship, who has been suffering from a general break-down of the nervous system, continues ill. Eugene Sutton, of Indianapolis, is visiting relatives here. Mrs. Mary Elmore and family, of Somerset, are with her mother, Mrs. Foley. Amos Smith, of Mt. Vernon, is with his sister, Mrs. Susan Cross. Mrs. Emma White spent Sunday with her sister, Mrs. James Boone, at Maywood.

The egg and poultry business in the United States is enormous. According to "Success" it amounts to \$280,000,000 a year, greater by ten millions than the combined value of gold, silver, wool and sheep produced in the same time in America. That part of the wheat crop used at home, which many consider the most valuable of all our agricultural products, was worth \$229,000,000. The great American hog, as consumed at home and abroad, brought \$186,529,035. The value of the oat crop was \$78,984,900. Potatoes grown in the United States were valued at nearly as large a sum as were the oats. The product of tobacco plantations was estimated to be worth \$35,579,225. Cotton, the dethroned king of staples, could show only \$259,161,640, as against the magnificent earnings of its feathered rival. Figuring further on the product of the gentle hen, the same publication says the eggs produced in this country, annually would fill 43,127,000 crates, each of the latter holding 360 eggs; also, a train of refrigerator cars to carry these eggs would be nearly 900 miles long. Furthermore, it would take 107,818 such cars to make up this train. When we consider the small expense attending the raising of poultry and the profit and pleasure derived from it, it is a great wonder that more people do not engage in the business. Kentucky especially offers a splendid field for it, with eggs rarely below 15 cents a dozen and chickens selling at 25 cents each and up.

KINGSVILLE.

Clarence Dunn is at home from the C. S. with a sprained ankle. Mrs. B. C. Pennybacker and Dr. B. G. Allen, of Somerset, were here Wednesday. Mrs. John Bolling, of Somerset, was the guest of her father, Howard Sweetney. Dr. B. F. Walter is expected here this week to practice his profession. Misses Fletcher, of Science Hill, and Cora Carter, of Highland, were guests of Miss Ottilie Faulkner Sunday. Miss Lottie Scott, of Winchester, is the guest of her sister, Mrs. Bradley. W. M. Tuney, trainmaster, was down from Lexington Tuesday. Miss Mamie Robinson and brother, Harry, of Lexington, were with Miss Dora Rigney. W. S. Burch, of Stanford, was here Tuesday and Wednesday. George Wood, of Stanford, was here Tuesday. Mrs. John Walls was called to the bedside of her mother, Mrs. Parsons, at Stanford. Mr. D. C. Allen, of McKinney, was here Wednesday.

Merritt Locust, a colored man, died on Tuesday of last week. He was doubtless the oldest person in Scott county, says the Georgetown Times. He claimed to be 105 years old, and frequently told of the perilous times when the Indians roamed this section of the country. He was born in Owen county. He was married three times and was the father of 30 children, the last being born when, as claimed, he was 93 years of age.

A Remedy without a Peer.

"I find Chamberlain's Stomach and Liver Tablets more beneficial than any other remedy I ever used for stomach trouble," says J. P. Klote, of Edina, Mo. For any disorder of the stomach, biliousness or constipation, these Tablets are without a peer. For sale by all druggists.

Attorney General Hays sued the Louisville & Nashville Railroad Company for \$12,330.80, alleged to be due on franchise taxes of 1902 amounting to \$32,000, which were paid only after a decision by the United States Supreme Court.

The use of the bloodhounds in the Smith case in Franklin county, and York case in Anderson county, and in a number of other murder cases over the State within the last year, has suggested that a State kennel should be established by act of the Legislature, as has been done in a number of Southern States in the last few years. The next General Assembly will be asked to consider the proposition.

Terms of peace were agreed upon at Portsmouth by the Russian and Japanese envoys, preliminary arrangements for an armistice were concluded and the actual work of framing a treaty of peace was turned over, by mutual agreement, to Mr. De Martens, the Russian lawyer, and Mr. Dennison, the legal adviser of the Japanese Foreign Office. The treaty is expected to be completed by the end of the week. Japan made an agreement possible by yielding on the disputed points. The articles relating to Russia's interned warships and the limitation of her sea power were withdrawn. Japan agreed that only that part of the Chinese Eastern railroad south of Chantfu should be ceded to her, and an agreement was made whereby the Island of Sakhalin is practically neutralized, each country binding itself not to fortify its half of the island.

Like Finding Money.

Finding health is like finding money—so think those who are sick. When you have a cough, cold, sore throat, or chest irritation, better act promptly like W. C. Barber, of Sandy Level, Va. He says: "I had a terrible chest trouble, caused by smoke and coal dust on my lungs; but, after finding no relief in other remedies, I was cured by Dr. King's New Discovery for consumption, coughs and colds." Greatest sale of any cough or lung medicine in the world. At G. L. Penny's drug store, Stanford, and Lyne Bros., of Crab Orchard, 50c and \$1; guaranteed. Trial bottle free.

Midshipmen are given the month of September to visit their homes and Mr. Saufley will arrive today to spend that period with his parents, Judge and Mrs. M. C. Saufley.

Gano was famous as an officer of Morgan's cavalry and commanded a regiment and brigade in the Confederate army. He is now 75 years of age.—Tuesday's Louisville Times.

It is almost an assured fact that the new interurban railroad from the Cumberland river to a point on the Queen and Crescent railroad will be run to Danville instead of Burgin, says a Danville dispatch. The promoter of the new line, W. K. Asbel, of Columbia, is actively engaged in surveying the new route which will run through Perryville to Danville. The line from Lebanon to Harrodsburg is immensely hilly, and from Lebanon to Danville it is, with the exception of a few miles, level ground.

Are You Engaged?

Engaged people should remember, that, after marriage, many quarrels can be avoided, by keeping their digestions in good condition with Electric Bitters. S. A. Brown, of Bennington, S. C., says: "For years, my wife suffered intensely from dyspepsia, complicated with a torpid liver, until she lost her strength and vigor, and became a mere wreck of her former self. Then she tried Electric Bitters, which helped her at once, and finally made her entirely well. She is now strong and healthy." G. L. Penny, druggist, Stanford, and Lyne Bros., Crab Orchard, sell and guarantee them, at 50c a bottle.

William Van Voorhees, a Chicago restaurant keeper, was shot and killed by his wife during a quarrel.

All America

\$3.50 AND \$4 SHOES

Are shaped like a foot. All the seams are deeply buried in the leather; the thick, soft lining prevents uneven surface; the insole which is next to the foot, is soft and smooth, the stitches holding the bottom of the shoe together, can not become uneven ridges, because between them and the soft insole is a hard leather sole. The heels must always fit because the counter is curved at both top and bottom; the eyelets are covered on the inside with a soft leather strip. No matter how tight the shoes are laced, they can not pinch the feet. All America Shoes are good looking. They cost \$3.50 and \$4.00 because they could not be made better at a higher price.
